Dr Charles Geale

FRACGP, MD, BSc

My Story...

Doctor Charles Geale (he/him) FRACGP, MD, BSc, is a GP with experience across all the major areas of family medicine. He enjoys seeing patients of all ages and backgrounds.

Charles has a friendly and supportive approach to health care and is enthusiastic about working closely with his patients to achieve the best quality of life possible.

Charles has many special interests, including: Sexual health, musculoskeletal injuries and pain, skin cancer management, depression and anxiety, LGBTIQA+ health care, travel medicine and immunisations, as well as chronic diseases such as high blood pressure, diabetes and chronic kidney disease.

He is passionate about preventative medicine, ensuring his patients are up to date with all the relevant screening programs, immunisations and the best evidence-based treatment options. Charles is an accredited s100 prescriber for HIV medicine.

In his spare time, Charles is usually enjoying the outdoors around Sydney, experimenting in the kitchen or spending quality time with friends and family.
